Dear Delegates

With immense pleasure, department of ENT, GMERS Medical college, Gandhinagar extends invitation for **International Cochlea vista otology Workshop (ICoW)** scheduled on 30th June to 2nd July 2023.

International Cochlear Vista is premiere event focusing on cochlear implant -life changing surgery for hearing impaired. Cochlear implant surgery has brought long term gift of sound and music into lives of millions plus people over the world. With internationally acclaimed faculty who are pioneers in the field of cochlear implant, this is a priceless and unique opportunity to pick brains of expert in the field.

Apart from scientific sessions, panel discussion and live surgeries, there will be temporal bone dissection (limited seats) and dummy electrode insertions will be conducted. The event integrates educational, academic and hands on experience aimed at both otology surgeons and clinical audiologist. The joint sessions for professions during the event gives opportunity for audiologist and speech therapist to learn and interact from experienced mentors.

Join us in the capital city- Gandhinagar to learn and share your knowledge on Cochlear implant surgery and to connect with other Cochlear Family Members who have brought rich sounds of music and life to hearing impaired.

"Individually we are on drop, Together we are ocean", says an ancient wisdom. Let's all join together and sail through this vast ocean of knowledge
